

MENTALLY DEFICIENT CHILDREN SCHOOL

The Department of commerce (Accounting and Finance) had organized a visit to Children's Aid Society on 16 the March 2023 at 11.00 am as a part of social activity. The students visited Mentally Deficient Children School and interacted with the mentally challenged children. The Principal of the school in her lecture informed the participants about the educational and other activities conducted for the inmates of the School. The students learnt about the efforts taken by the Teachers and staff to bring such children in the mainstream of the society. In the school many programs are conducted to earn them a livelihood by teaching them compatible skills.
