EDITORIAL

The trustees of Sarvodaya Samaj established Sarvodaya Vidyalaya in 1969, which was the first private Gujarati Medium School in Chembur. To begin with, the School did not have its own building and was started with classrooms provided by Swami Vivekananda School at Chembur, Next year it was shifted to a building at 11th Road in Chembur and two years later to the present premise, Land belonging to Shri Pravinchandra Dwarkadas Dalal.

Bhavna Trust was established in 1972 with a team of four enthusiastic, education loving and dynamic trustees Late Shri. Gagubhai Tokarshi Chhadva, Shri. Keshavji Umarshi Chhadva, Shri.Pravinchandra Dwarkadas Dalal and Late Shri Mulji Khiyanshi Nisar. In 1973-74 Bhavna Trust took over the management of "Sarvodaya Vidyalaya" from Sarvodaya Samaj. As a first step, it Purchased the premises for the school. The trustees appealed to their friends for donations for the school building. Response was extremely good. In December 1974, the school building was started. Trustees gave personal attention to the building work with full dedication and selfsacrifice .Essential facilities have been provided in the school. The staff, student sand parents co-operated a lot and bore all hardships along with the trustees during the transit phase.The school and college is managed through the school committee and college committee that keeps in mind the basic aims and objectives of the trust and follows department rules and regulations while running the school and college.Admissions are given to all pupils making no distinctions of caste, creed and religion. Donations are not raised from the Pupils for admissions or any other purpose at any stages.

As time passed by, there was growing demand from Parents and well wishers for an English Medium School. In response to this,Bhavna Trust set up Sarvodaya Vidyalaya English Medium in 1980 with a K.G. Class .Thereafter every Year as a natural growth an additional standard was added in 1992, the first batch of English Medium students appeared for S.S.C. Exam .

Sarvodaya Vidyalaya began with hard days. With the support of staff. students (past and present) and well wishers, a paradise has been created at Sarvodaya Vidyalaya .In 1991 Bhavna Trust has started computer classes to give knowledge of computer to all the students, from standard I to standard X for which an ultra modern computer laboratory was setup with 10 computers. Till today it is running successfully.

In the year 1997 Bhavna Trust obtained a permission to start Junior College of Commerce & Science which was attached to our Mehta Sarvodaya Vidyalaya Gujarati Medium and it started Junior College of Commerce named Mehta Sarvodaya Junior College of Commerce. This college was started with a view that students who passed S.S.C from our school need not go in other college and students can take admission in Junior College. This has helped our students a lot because students of this school, do not have to run from one college to other for admission and do not have to pay any donation. The ultimate aim of Bhavna Trust was to provide education to needy students from Junior KG to Degree. The aim was, a child who takes admission in Junior KG should complete his/her education up to graduation in one premises only. With a view Bhavna Trust obtained a permission to open a Degree college for B.Com and B.Sc. (Computer Science) in the year 2003. Later in the Year 2007 college got the permission to start B.Sc (IT) and B.M.S. in year 2008 . In the year 2022 the college got the permission to start BAF (Bachelor of Accounting and Finance) and M.COM. (Masters in Accountancy). POT PAINTING

Pot decoration Competition was organized by Our College in online Mode In the Pot Decoration Competition students brought pots of all shapes and sizes, and painted them on the spot. The concepts, creativity and ideas used by the students is commendable and admirable. One of the student painted and decorated a pot like a dark sky and put glitters and mirrors on it like little shining stars".As the name suggests,

It is a hobby in which a person decorates clay pots and vases in various ways. It is a very interesting hobby as the results are often quite diverse (from what you expected!) and creative. One does not even need to learn it from any one nor are there any hard and fast rules to be followed. This hobby is as old as the art of pottery itself and nowadays it is gaining momentum and one can see various artisans selling painted pots on the roadsides. What is best about this hobby is that one need not learn it from anyone, as all it needs is creativity and, of course, some pots.

CONSTITUTION OF INDIA

The representatives of the Indian people framed the Indian Constitution after a long period of debates and discussions. It is the most detailed Constitution in the world.

No other Constitution has gone into such minute details as the Indian Constitution. The Constitution of India was framed by a Constituent Assembly which was established in 1946. Dr Rajendra Prasad was elected President of the Constituent Assembly. A Drafting Committee was appointed to draft the Constitution and Dr B.R. Ambedkar was appointed as the Chairman. The making of the Constitution took a total of 166 days, which was spread over a period of 2 years, 11 months and 18 days. Some of the salient features of the British, Irish, Swiss, French, Canadian and American Constitutions were incorporated while designing the Indian Constitution.

The Constitution of India is the supreme law of India. The document lays down the framework that demarcates fundamental political code, structure, procedures, powers, and duties of government institutions and sets out fundamental rights, directive principles, and the duties of citizens. It is the longest written national constitution in the world. It was adopted by the Constituent Assembly of India on 26 November 1949 and became effective on 26 January 1950. The constitution replaced the Government of India Act 1935 as the country's fundamental governing document, and the Dominion of India became the Republic of India. To ensure constitutional autochthony, its framers repealed prior acts of the British parliament in Article 395. India celebrates its constitution on 26 January as Republic Day. The constitution declares India a sovereign, socialist, secular, and democratic republic, assures its citizens justice, equality, and liberty, and endeavours to promote fraternity.. The words "secular" and "socialist" were added to the preamble by 42nd amendment act in 1976 during the Emergency. The constitution is considered federal in nature, and unitary in spirit. It has features of a federation, including a codified, supreme constitution; a three-tier governmental structure (central, state and local); division of powers; bicameralism; and an independent judiciary. It also possesses unitary features such as a single constitution, single citizenship, an integrated judiciary, a flexible constitution, a strong central government, appointment of state governors by the central government, All India Services (the IAS, IFS and IPS), and emergency provision
