ACTION TAKEN REPORT ON FEEDBACK (2025-2026)

Based on the feedback received from students, teachers, and stakeholders, the following actions have been taken by the Principal with the support of the management:

1. The Principal has started a faculty exchange program with different colleges to promote academic collaboration and knowledge sharing.
2. The college has signed several Memorandums of Understanding (MOUs) with different colleges for academic cooperation.
3. Various initiatives have been undertaken to enhance the skills and knowledge of teachers.
4. The college regularly conducts seminars and workshops to improve academic awareness and professional development.
5. The college organizes various university-level festivals and activities for the overall development of students.
6. Preliminary examinations have been started to help students prepare better for university examinations.
7. Based on the feedback received, necessary changes and improvements have been implemented by the Principal with the support of the management.
8. Faculty members are encouraged to conduct guidance lectures for difficult subjects to assist students in better understanding the topics.
9. The college also conducts remedial lectures for students who need additional academic support.
10. The college has increased the number of seats for Computer Science students to benefit more students.
11. The college has introduced NEP-2020 courses for first-year students in accordance with the new education policy.
12. All computers in the college have been updated by installing new systems.
13. The college has different computer systems available for the use of students and teachers.
14. Separate computer facilities have been provided for research work.
15. To ensure the safety and well-being of everyone on campus, the college has appointed additional security personnel.
