A WORD FROM THE CHAIRMAN OF THE COLLEGE

"What is really needed to make democracy function is not knowledge of facts,but right education."----Mahatma Gandhi

Bhavna Trust Junior and Degree College of Commerce and Science is on the brink of completing two decades since its establishment in the year 2003. Our vision is to be at the forefront of educational innovation, creating an environment that empowers our students to become lifelong learners and adaptable leaders in a rapidly evolving world. We strive to break boundaries and transcend traditional educational practices, embracing cutting-edge technologies and progressive methodologies that revolutionize the way we teach and learn.

Bhavna Trust Junior and Degree College of Commerce and Science have remained dedicated to nurturing individual excellence among its students while promoting active involvement in diverse academic, cultural, social, and physical pursuits.

We have strategically crafted a lean administrative structure, enabling us to stay agile and capitalize on thrilling opportunities while fostering a culture of innovation. Throughout our eventful decades, our story has been one of continuous innovation and positive disruption.

The valuable lessons we have learned throughout our journey will serve as the driving force and strong foundation for the next phase of our growth. Bhavna Trust Junior and Degree College of Commerce and Science are dedicated to cultivating the next generation of dynamic leaders, critical thinkers, and creative innovators.

SHRI JAYANTILAL KESHAVJI CHHADVA
CHAIRMAN

From the
Principal's Desk

"We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet" – Swami Vivekananda.

A student's life reaches a crossroads after finishing Higher Secondary Education, when he or she is faced with the most important decision of their life – selecting a course according to their aptitude and the best college with a multifaceted approach towards higher education that is complete, whole and sound for their career.

In this fiercely competitive world, BHAVNA stands as a beacon, offering limitless access to information that can be transformed into comprehensive and indispensable knowledge.

At BHAVNA we emphasize instilling confidence and independence promoting critical thinking that will help the students to act and react in real-life situations. Along with imparting knowledge, opportunities are provided so that students can learn and test the applicability of the knowledge acquired.

The college provides academic and personal counselling to each student on a regular basis. The vital essence is to provide personal direction and developmental guidance.

Counselling enables teachers and students to better connect, which in turn helps them to cope with the problems of growing up, keep up with their studies, and planning their careers.

To achieve success in this competitive world, we aim to generate in our students cutting edge that will enable them to succeed . Integrated development of students will not only enable them to acquire knowledge, develop skills and attitudes, but also foster them to become the best that they can be.

Students, who enter BHAVNA as aspirants without direction, experience a sea change in their lives when they graduate. They enhance their competitive–edge by undergoing experiential education at BHAVNA.

Dr. Aruna J. Singham
Principal
