Action Taken Report for the Academic Year 2025-2026

The institution has undertaken several initiatives during the academic year 2025–26 in response to the recommendations discussed in the IQAC meetings. These measures reflect a committed and proactive approach toward enhancing academic quality, institutional effectiveness, and holistic student development.

1. Academic Planning and Implementation
   A detailed academic calendar was prepared and disseminated among all departments. This ensured systematic execution of academic activities, better coordination among faculty, and timely completion of the syllabus.
2. Implementation of NEP Guidelines
   The Second Year NEP framework was effectively implemented in accordance with the guidelines prescribed by the University of Mumbai, ensuring alignment with current educational reforms.
3. Student Orientation Initiatives
   Orientation programs for students across all years (First, Second, and Third Year) were conducted during June and July. These sessions helped students become familiar with institutional facilities, academic expectations, and support systems.
4. Audit Review and Compliance
   Various institutional audits, including Green Audit, Gender Audit, Fire Audit, and Academic Audit, were systematically reviewed. Necessary actions were taken to ensure compliance and continuous improvement.
5. IQAC Committee Restructuring
   The composition of the IQAC committee was revisited and revised where required, ensuring adherence to recommended norms and enhancing its functional effectiveness.
6. Student Development and Feedback Mechanism
   Multiple seminars, workshops, and certificate courses were organized to enhance students' knowledge and skills beyond the curriculum. Feedback collected from stakeholders was thoroughly analyzed, and appropriate corrective measures were implemented.
7. Extension and Community Engagement Activities
   Active participation was observed through NSS (42 activities), DLLE (3 activities), and departmental initiatives. These programs encouraged social responsibility and community engagement among students.
8. Career Guidance and Placement Support
   Career counseling sessions and placement-related activities were conducted to guide students in making informed career choices and to facilitate their transition into the professional world.
9. Faculty Development Programs (FDPs)
   Faculty members participated in FDPs and one-day training sessions during the academic year to enhance their teaching competencies and stay updated with evolving pedagogical practices.

competitions, and the annual intercollegiate festival "Freak 24–25" were organized. These activities promoted creativity, teamwork, and cultural awareness.

11. Women Empowerment Initiatives
    The Women Development Cell (WDC) organized a webinar addressing issues related to women's awareness and empowerment, reinforcing the institution's commitment to inclusivity.
12. Technology-Enabled Attendance System
    The College continued the use of a card-based attendance system, ensuring efficient, accurate, and streamlined tracking of student attendance.
